Declaration: RoHS 3 (Restriction of Hazardous Substances in Electrical and Electronic Equipment)

With this document, we hereby confirm that all products supplied and manufactured by Metalwo comply with standards of:

RoHS 3 EU Directive 2015/863 EU

Ensuring that no component under manufacturing by Metalwo A/S contain any of the six hazardous and restricted substances in the RoHS 2 regulation, while adding four more restricted substances to the list. The additional four phthalates can be listed as follows:

- Bis(2-ethylhex) phthalate (DEHP) (0,1%)
- Butyl benzyl phthalate (BBP) (0,1%)
- Dibutyl phthalate (DBP) (0,1%)
- Diisobutyl phthalate (DIBP) (0,1%)

The statement concerning RoHS EU Directive 2011/65/EU can be downloaded from the Metalwo webpage for you reference.

The above standing declaration is based on all available information from our current suppliers and is deemed valid until further notice. For further details, marks and exceptions in terms of the legislation, we kindly refer to the webpage of the European Commission: https://ec.europa.eu/environment/waste/rohs_eee/

Customers may request a detailed list of any individual product supplied by Metalwo A/S however, please note that retrieving such information requires extensive manual as well as analytical work from our employees which are not a part of the mandatory nor expected obligation following the legislation.

For this reason, Metalwo A/S charges a service fee of DKK 820,00 / EUR 110.00 per investigated part number. If the customer wishes to proceed with the investigation, please provide our Chief of Quality and Development, Mr. Claus Grøn-Nielsen, with a list of the specific part numbers and forward this to CG@metalwo.dk along with an authorized purchasing order issued to cover the fee.
